The deposit must accompany this agreement.*

### Deposit Deadline: Feb 19, 2019

To guarantee your same time slot as last year, at minimum a deposit of 1 weeks greens fee per person must be received by February 19<sup>th</sup>, 2019. After Feb 19<sup>th</sup>, all unused tee times will be open for any new leagues or schedule changes as deemed necessary by Bluff Creek's league coordinator. New leagues and changes will be filled on a first come first serve basis. If you are a new league, deposit is due on submission of the contract. All requests for changes must be submitted in writing or via email to Bluff Creek's league coordinator Debra at [debra@bluffcreek.com](mailto:debra@bluffcreek.com).

### **League Guidelines;**

1. By signing this contract, the league and/or league representative agrees to guarantee payment for all players each week for the eighteen weeks. In return, Bluff Creek will guarantee to make available one tee time for every four players. Play begins the week of April 15<sup>th</sup>. Extra weeks of league play before or after leagues start or end, can be arranged by communicating with Bluff Creek's league coordinator, Debra.
2. A deposit of 1 week's fees is requested with submission of this contract. The payment is made to cover the number of players as stated in the forms below for the entire season. Being that payment is upfront, if a player is a no show for the week, and the league representative did not cancel due to inclement weather, no rain checks will be given for the missed tee time. Substitutes of course are allowed to fill up the tee time that was reserved in the contract in the case of an absent player. The league will not have to pay for any players possessing a Bluff Creek season pass membership. *Bluff Creek Punch Cards for greens fees will not be honored for payment for corporate league rounds.* Payments will only be received from the league representative or its designee. A league roster must be submitted to Bluff Creek before the first week of play. Payments must be made in full before play begins.
3. All players are expected to comply with all course rules and policies. A violation can result in ejection of the offending player(s) from the course without a refund. Sorry, max number per group is 4 participants. We may not always call groups to the tee; it will be the league representative's responsibility to ensure league players are starting play at the designated start time. Bluff Creek has established a Pace of Play for nine holes as 2 hours 10 minutes. We ask that all league teams play ready golf to help pace of play. Continued violations of the pace of play will result in loss of playing privileges without refund. As a reminder, carts are sold on a ½ seat rate. Please ensure that all players riding have paid the appropriate fee before riding on a cart.
4. In case of inclement weather where safety is concerned, play can either be suspended or canceled at the discretion of the League Representative either prior to the start of play or during the round. We have secured 2 weeks on the calendar for rainouts at the end of the season. If circumstances do occur that are out of our control, we reserve the right to extend extra weeks to complete the 18 week league season. Bluff Creek Golf Course is a "play at your own risk" facility. Staff may not at any time offer advice regarding weather conditions. If the League Representative declares "no play", all league players under the League Representative must cancel play immediately and return to the clubhouse. Each league representative has 2 "no play" decisions to use, but only 2. The use of the "no Play" option does not depend on what other league teams do or not do. At the time of a "no play" decision, the league will be granted an extension of play following the last scheduled date of play. The League Representative must notify Bluff Creek Golf Course, via phone or in person, when a decision is made to, "play" or "no play". Without a verbal decision by the league representative, Bluff Creek assumes that the league was a "no show" and this day will count as one of the 18 weeks. To comply with "no play" decision, ALL league players must have completed play. If not all league members have completed play and a "no play" decision has been declared, then that league day will be eliminated and an extension will be granted. All paid carts will be given rain checks for cart use for a future league round.
5. **There will be no league play the week of July 2nd- 4th as many players will be on vacation. If your league would like to play that week, please contact Debra.**

**Food and Beverage Policies:**

- In compliance with Minnesota Statute: 340A.801.4 Beverages containing alcohol MUST be purchased on site. Carry on beverages are not allowed.
- The patio, shelter (if not previously reserved) and all amenities are available for your use before and after golf. With advance notice we would be happy to accommodate your food and beverage needs after play.
