# 2019 Junior Golf League

## Players Guide:

The Junior Playing League is a playing league only. There is NO instruction included. Players are expected to have basic golf knowledge, be able to play without direct supervision and be able to play 9 holes of golf in under 2 hrs 10 minutes.

### **Weekly individual games:**

Each week a new individual game will be scored. Prizes will be paid out weekly for these games. A list of games is listed below.

**Rules:** USGA rules will govern play. A few new rules are live beginning in 2019. A brief description of these new rules will be covered on the first night of play. If you have a question on a ruling, play two balls and seek advice from golf professional.

- This is a ZERO TOLERANCE league. Any horseplay or cheating will not be tolerated. Players will be dismissed from league and will forfeit all league fees.
- This is a walking league. No carts allowed. Parents may watch groups
- 8 Stoke rule: if you have not reached the green in 8 strokes, pick up your ball and proceed to the green. Putt out for score.

**Handicaps:** In 2019, we will be using the League Manager program. The program is free of charge and will accurately calculate playing ability to ensure a fair platform for all players.

**Cancelation/Suspended play :** We will play 8 weeks. If play gets canceled due to weather prior to start of play, events will remain in same order until all 8 weeks have been completed. A decision to cancel play will be made 2 hours prior to play and information will be sent via email and text. Suspension of play: if an event is active and severe weather is inevitable, Play will be suspended and completion of event will be made by BCGC staff. All event will be considered complete if ALL holes have been completed by all players.

# 2019 Junior Golf League

**Pace of Play:** Arguably the most frustrating feature of any league is slow play. BCGC Men's league pace of play guideline are fair and very manageable by players:

- Play shall be completed in under 2 hours 10 minutes &
- Groups must not fall more than 1 hole behind the group in front of them.
  - 1 verbal warning to catch up.
  - 2nd verbal will result in 2 stroke penalty
- If teams are constantly being warned for slow play, a deduction of team points will be made at the discretion of the golf professional.

**Pairings:** You may request your playing group. Tee Times will be set and you will play each week at the same time. IF you are unable to participate during a week of play, please inform BCGC staff. Players will be able to receive (1) one raincheck to play during a weekday afternoon if they miss a play date. Makeup rounds will not be considered for scoring.

**Prizes:** Prizes will be awarded each week for declared games. Players will be responsible for receiving all prizes. Makeup rounds are not eligible for prizes.
