**Handicaps:** In 2019, we will be using the USGA Golf Genius League Manager program. This requires ALL players to have an active GHIN handicap. This fee is Included in your league entry. If you have a active GHIN at another facility, please share Ghin # on league application. Your league fee will be reduced by \$30.

Golf Genius League Manager. Using this software allows players to see upcoming events, pairings, results, points,handicaps and prize distribution in real time. A code will be provided to you to be able to login and see check out what's happening in the league.

**Cancellation/Suspended play** : We will play 16 weeks. If play gets canceled due to weather prior to start of play, events will remain in same order until all 16 weeks have been completed. A decision to cancel play will be made 2 hours prior to play and information will be sent via email and text. Suspension of play: if an event is active and severe weather is inevitable, Play will be suspended and completion of event will be made by BCGC staff. All event will be considered complete if ALL holes have been completed by all teams.

**Pace of Play:** Arguably the most frustrating feature of any league is slow play. BCGC Men's league pace of play guideline are fair and very manageable by players:

- Play shall be completed in under 2 hours 20 minutes &
- Groups must not fall more than 1 hole behind the group in front of them.
  - 1 verbal warning to catch up.
  - 2nd verbal will result in 2 stroke penalty
- If teams are constantly being warned for slow play, a deduction of team points will be made at the discretion of the golf professional.

**Pairings:** You will be required to play with your team. Teams may request, in writing, of teams they wish to be paired with.

Note: You may change partners after each season if you wish.

**Prizes:** Prizes will be awarded in Pro Shop "Bluff Bucks". Bluff Bucks may be used to purchased in stock merchandise (Sorry, Not valid for food/bev/golf fees, special orders).
