However, with some money and status on the line we have established the following club guidelines to allow a fair playing platform for all club players. If you have any questions please contact league administrators*

*The club will be played within the rules of the USGA with some modified local modern rules. Complete Club Rules will be posted before the first week of play.*

Subs points will go towards the player they are subbing for. Subs without handicaps will play to a zero, but are better than nothing. Subs are responsible for any fees. Subs MAY use a punch from the Individual Bluff League Pass card holder from the person they are subbing for. Email subs first and last name to [bboe11@bluffcreek.com](mailto:bboe11@bluffcreek.com) before noon on the day of play.

### Cancellations, postponements

Rainouts - League Schedule - Periods of play

It is our intent to play on scheduled days. However, if weather postpones or suspends play, you will be notified by 12:00 noon for 18 holes and 2:00 for 9 holes. Via email. If a week gets suspended and then cancelled - all players must have completed play to be complete for 9 hole play. 18 hole play requires all players to have completed 9 holes to be considered "complete" and points will be added to season period points. Weekly games will be paid accordingly. If all players do not complete a minimum of 9 holes, the event will be considered cancelled. Green fee and cart credit will be issued for any uncompleted play only IF BCGC cancels play due to weather. If a week is cancelled, that event will be cancelled and we will continue on schedule for the next week of play.

No Shows: It is important that the course is aware of any chance your group will not be playing on a certain week. AS a courtesy, please inform BCGC that you or your group will not be showing for play on a certain week. If groups miss a week without notifying BCGC-

- 1- Verbal Warning
- 2- Forfeit of a weeks green fee or use of punch from punch pass
- 3- Termination from club with no refunds

Periods of play Periods to earn Bluff Stableford points (TOC) will be in this order

1. First Period - First 7 weeks of completed play
2. Second Period - Next 7 weeks of completed play
3. Third Period - (Running time) will be the remaining weeks to conclude on Sept 21st.  
Possible to have reduced number of weeks based on any cancellations

Outside Events- Outside events are vital to our financial success. In the case of an outside event overlapping into club play, a double tee will be used on those days beginning at approximately 4:00. 9 Hole play should not be affected. Advance notice will be made on these dates.

Website Portal - Bluff Creek is pleased to use the Golf Genius Software supported by the USGA. Each Division will have a league portal website. All tee times, games, season standings and weekly results will be posted on the portal - you will always be in the know!!
